Soft-Story Seismic Retrofit Fair Set for May 30

Beverly Hills, CA (May 21, 2019) – In January 2019, the City of Beverly Hills adopted a mandatory ordinance (No. 18-0-2767) requiring multi-family soft-story buildings to be retrofitted. To assist property owners with the process of retrofitting soft-story buildings, the Community Development Department is hosting a Soft-Story Seismic Retrofit Fair on Thursday, May 30.

This free event will take place from 1:00 - 6:00 p.m. in the Civic Center Court Yard located at 444 N. Rexford Drive. Design professionals, City staff and manufacturers specializing in seismic retrofit work will be on hand to provide information, materials and incentive resources for owners who must comply with the new mandatory retrofits.

Two hour free parking is available at 444 N. Rexford Drive. For more information about the program visit <http://www.beverlyhills.org/seismicretrofit>.

For questions please email retrofit@beverlyhills.org or call the Community Development Hotline (310)285-1113.
